

LIST OF ITEMS TO BRING TO SCHOOL ON YOUR 1ST DAY

Below is a list of supplies for your first day. You will be periodically asked to replenish the items the teachers run out of. Please make sure everything belonging to your child is **labeled**.

Please use your judgment as to which items apply to your child's age group. Feel free to ask your child's teacher for input.

- 1 Blanket and sheet for crib or mat
- Change of clothes (two changes would be optimal)
- Extra socks and shoes or sneakers (*no sandals permitted in summer for extra safety*)
- 2 Bibs
- 1 Package of Diapers
- 1 Package Wipes
- 1 tube or tub of diaper ointment
- 1 Pacifier
- 2 Bottles and formula (plastic bottles only, please)
- 1 Sippy cup for water
- 1 Sippy cup for milk
- Lunch and snacks, if you desire to bring in your own (Please, see our Food Policy Guidelines)
- Bathing suits and sunblock (summer only)

Please do not bring in bulky blankets, pillows, or other items. We ask that you bring in what can be accommodated in your child's personal closet space. Please refrain from bringing in a stuffed animal, favorite blanket, or toy as these items may get lost and result in a very upset child.
